The image displays a collection of approximately 15 different models of brass gold-plated spring-loaded test pins. These pins vary in length, diameter, and tip shape, including some with hexagonal bases and others with pointed or flat ends. They are arranged on a white background. The top of the image features the SFENG logo and three certification marks: RoHS (Restriction of Hazardous Substances), ISO 9001 (Quality Management System) certified by SGS, and CE (Conformity with European standards). The website address chinapogopinsupplier.com is printed at the bottom.

Our company introduction

Suzhou Shengteng Electronic Co.,Ltd is specializing in the spring probe&the pogo pin with high quality,low price and fast delivery.We have our own brand,we always devote ourselves to achieving international standards,our company have passed the ISO9001-2008 quality managements certification and our products are qualified of RoHs.

Our related products

- Spring loaded pin(single) for PCB,ICT,FCT testing,etc;
- Pogo pin(connector) to establish a(usually temporary)connection between two printed circuit boards for charging, locating, Battery, Semiconductor & interconnect Applications;
- Double ended probe for BGA&semiconduction testing;
- Universal pin without spring,coating pin,LM pin with QZ&VZ series;
- High current probe,Switch probe,Capacitance needle...
- Terminal&receptacle/socket;
- Other related electronic components,30#OK wire,Jig locks,POM,etc
