chinapogopinsupplier.com

The image displays a collection of approximately ten brass pins of various sizes and shapes, including long cylindrical pins, shorter pins with flanges, and pins with different end profiles. The pins are arranged on a white background within a blue-bordered frame. At the top left is the SFENG logo with the tagline 'The China's The World's'. To the right of the logo are three certification marks: a green RoHS logo with a leaf, an ISO 9001 certification logo from SGS, and the CE mark. At the bottom of the frame, the website address 'chinapogopinsupplier.com' is written in white text on a blue background.

Il nostro servizio

1. We può rispondere il vostro richiesta entro 24 ore lavorative.
2. Customized il disegno è disponibile e l'OEM è accolto favorevolmente.
3. We può trasportare la sonda spilla ai nostri clienti in tutto il mondo con velocità e precisione.
4. We può fornire il prezzo più basso con prodotto di alta qualità al nostro cliente.

Prodotti principali

Perno caricato a molla (singolo) per PCB, ICT, test FCT ecc;

Perno di Pogo (connettore) per stabilire la connessione tra due circuiti stampati per la ricarica, la localizzazione, la batteria, le applicazioni di interconnessione e semiconduttori;

Doppia sonda conclusa per test BGA e semiconduttore;

Perno universale senza molla, perno di rivestimento, perno LM con serie QZ e VZ;

Sonda ad alta corrente, sonda di commutazione, ago di capacità;

Terminali e recipienti/socket;

Altri componenti elettronici correlati, 30 # OK Wire, Jig Locks, POM, cerniere di ferro ecc
