chinapogopinsupplier.com

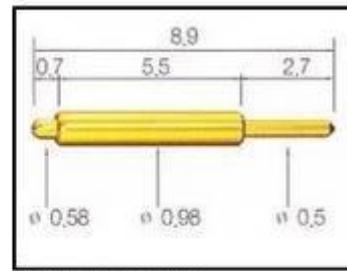

The image displays a collection of approximately 15 different styles of brass pins and fasteners, including various lengths, diameters, and finishes (some with hex heads, some with ball ends, and some with threaded sections). The pins are arranged on a white background. The advertisement includes the SFENG logo, RoHS and ISO 9001 certification marks, and the CE mark. The website address chinapogopinsupplier.com is prominently displayed at the bottom.

Il nostro servizio

1. We può rispondere il vostro richiesta entro 24 ore lavorative.
2. Customized il disegno è disponibile e l'OEM è accolto favorevolmente.
3. We può trasportare la sonda spilla ai nostri clienti in tutto il mondo con velocità e precisione.
4. We può fornire il prezzo più basso con prodotto di alta qualità al nostro cliente.

Prodotti principali

Perno caricato a molla (singolo) per PCB, ICT, test FCT ecc;

Perno di Pogo (connettore) per stabilire la connessione tra due circuiti stampati per la ricarica, localizzazione, batteria, applicazioni di interconnessione e semiconduttori;

Doppia sonda conclusa per test BGA e semiconduttore;

Perno universale senza molla, perno di rivestimento, perno LM con serie QZ e VZ;

Sonda ad alta corrente, sonda di commutazione, ago di capacità;

Terminali e recipienti/socket;

Altri componenti elettronici correlati, 30 # OK Wire, Jig Locks, POM, cerniere di ferro ecc
