The image shows a promotional graphic for SFENG wire. At the top left is the SFENG logo with the tagline 'The China's The World's'. To the right are four certification logos: RoHS (Restriction of Hazardous Substances), ISO 9001 (Quality Management System) by SGS, and CE (Conformity with European standards). In the center is a spool of purple wire. The spool's label features the text 'WIRE WRAPPING WIRE' around the top edge and 'P-10 1000' in the center. Below that, it says 'composition' and lists '4W2244 W422' and '4W2244 W422'. At the bottom of the spool, it lists '05 1421' and '05 1422'. At the bottom of the entire graphic is the website address 'chinapogopinsupplier.com'.
