

Specifications

Part Number	SF-0.86×18.5-BB
Plating	-Plating: Ph/Au/Ni -Plating: BeCu/Ni/Au -Plating: SWP
Current	1.5A
Resistance	80mΩ
Length	4.0mm
Width	2.8mm
Weight	25±5gf@2.8mm

Dimensions

Applications

- Automotive electronic components
- Industrial control systems OEM products
- Consumer electronics
- Power management systems

Features

- PCB ICT FCT compatible (standard)
- Available in standard and custom lengths (2 standard lengths)
- BGA compatible
- RoHS compliant, QZ, VZ, LM
- Lead-free
