

Product Specification

Mark	SFENG
Article number	SF-ok wire
Plating	Ni-plated or gold plated
Lead time	7 working days after receipt of payment

Product Image

The image displays a collection of spools of SFENG wire. At the top left, the SFENG logo is shown with the tagline "The China's The World's". To the right of the logo are three certification marks: a green leaf symbol for RoHS, a circular ISO 9001 SGS logo, and the CE mark. The central focus is a stack of spools in various colors: a white spool on top, followed by yellow, blue, red, purple, and green spools. The spools are arranged in two columns. At the bottom of the image, the website addresses szshengfengdz.en.alibaba.com and www.chinapogopinsupplier.com are displayed in white text on a blue background.

Our service

1. We can answer your request within 24 hours.
2. custom Design is available and OEM are welcome.
3. We can deliver the probe pins to our customers all over the world with speed and precision.
4. We can provide the lowest price with high quality products to our customers.

main products

spring pin (single) for PCBs, ICT, FCT testing etc;

Pogo pin (connector) to establish the connection between the two circuit boards for loading, location, battery, Semiconductor & amp; amp; interconnect applications;

double ended probe for BGA and semiconductor testing;

Universal pin without spring coat pin, pin LM with QZ and VZ series;

High current probe, Switch probe needle capacitance;

Terminal & amp; amp; receptacle / plug;

Other related electronic components, wire # 30 OK, Jig locks, POM, hinge iron etc.

Quality control

Spring exhausted tester	DC power supply	Current resistance tester
		
Microscope	Tensile strength tester	Spring tester
