

made in China customized high precision pogo pin connector

Specifications:

Plunger material: brass and Au plated

Barrel material: brass and Au plated

Spring: music wire and Au plated

Company information

Suzhou Shengteng Electronic Co., Ltd is specializing in the spring probe & the pogo pin with high quality, low price and fast delivery. We have our own brand, we always devote ourselves to achieving international standards, our company has passed the ISO9001-2008 quality management certification and our products are qualified for RoHS.

Main products

- Spring loaded pin (single) for PCB, ICT, FCT testing, etc;
- Pogo pin (connector) to establish a (usually temporary) connection between two printed circuit boards for charging, locating, Battery, Semiconductor & interconnect Applications;
- Double ended probe for BGA & semiconductor testing;
- Universal pin without spring, coating pin, LM pin with QZ & VZ series;
- High current probe, Switch probe, Capacitance needle...
- Terminal & receptacle/socket;
- Other related electronic components, 30# OK wire, Jig locks, POM, etc
