

made in China standard size fine pitch spring probes center pitch 0.45mm

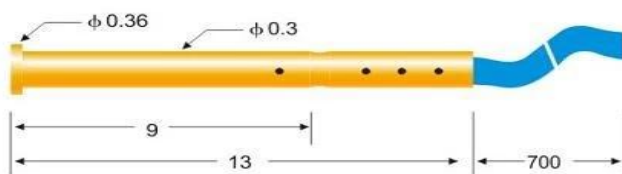

Test probe(mm)

Receptacle(mm)

SF-R080-VR

SF-R080-VRW

Mechanical Specification	
Full travel:	1.5mm
Recommended Travel:	1.0mm
Spring Force@Recommended Travel:	15g

Materials and Plating

Plunger	brass or Becu,gold plated on Nickel plated
Barrel	brass,gold plated on Nickel plated
Spring	steel or music wire,Nickel plated
Receptacle	brass,gold plated on Nickel plated

Electrical specification

Current rating	0.3A
Resistance	260 Ω
